Missed a show? No problem! On Replay TV channels you can watch programs that have aired up to 48 hours ago.

Replay TV FAQ

Q: What is Replay TV? And do I need to pay more for it?
A: No, you do not need to pay anything more for Replay TV. This timeshift feature is included at no additional charge for select channels.

Q: How does Replay TV work?
A: Replay TV allows you to watch programs that have already aired up to 48 hours ago on select channels. This means if you missed a program from earlier in the day or week, you can still watch it by accessing it in the Guide.

Q: How do I watch a Replay TV channel or program?
A: Replay TV channels will have an accompanying arrow in a circle icon like this and are also distinguished by the left arrow encasing the channel name. The arrow symbolizes that you can move backwards and forwards through the guide and re-watch programs. You can also utilize DVR Trickplay controls such as Pause, Rewind, Fast Forward, Skip back seven seconds and Forward skip 30 seconds.

Q: What if the Replay TV program started more than 48 hours ago?
A: If the Replay TV program you would like to watch is still viewable in the Guide, you can still watch the entire program from the beginning. If, however, the program is not viewable in the Guide at all then you will not be able to watch it with Replay TV.
