

## Restore Fee

---

If either you or Hotwire suspends a Service for any reason set forth under Hotwire's Terms and Conditions, you must make satisfactory arrangements to pay all past due amounts in order to have that Service restored. You will also be required to pay a Service Restoral Fee of no more than \$5.00 per incident of suspension or termination of a particular Service (subject to applicable law and except as may otherwise have been expressly agreed in writing). The Restoral Fee will be assessed on the next monthly bill you receive following the resumption of Service
